Please indicate any activities you would be interested in helping with:

- Chocolate Lab** (usually occurs in Spring). We need help with event planning and organizing, BAKERS, and helpers on the day of the event.
- Community Garage Sale** (usually occurs in July). Needs include planning the event, staffing the book sale in the library (2 hour shifts), and many other FUN tasks.
- Country XMAS Book and Bake Sale** (first Saturday in December). For our popular sale we need BAKERS, help with set-up, and volunteers to help at the sale.
- Used Book Collections** (the first Saturday of every month.) We are looking for helpers who can sort donations, fill the sale shelves in the library and foyer, and box up extra donations. Hours for the book collection are 10 am until 12:30. NOTE: Volunteers will **not be required** to move books to the basement.
