

## **Social Media Policy**

Spring Green Community Library staff create content on social media to assist in fulfilling the information, leisure, civic, and cultural needs of Library patrons. The majority of the content will be related to libraries, authors, books, library programming, and special topics the library is discussing or promoting and local community events.

Any content posted on the SGCL website is a public record and is regulated by the Wisconsin Public Records Law.

Adopted by the Library Board: 8/9/2011
