## Strategic Planning 2024

You might have seen something about how the Library is undertaking strategic planning this year. We are currently in Phase 1 of this process, which is data gathering and includes a community survey. We want to hear from you what you want from your library now and in the future. If you can, please take the time to complete the survey using either the QR Code or this link:

<https://www.surveymonkey.com/r/SpringGreenCommunitySurvey>

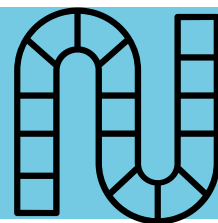

There are paper copies available at the Library. When you complete the survey, your name will be entered into a drawing to win one of four \$25 gift certificates.
