Puzzle Night

Tues., Nov. 12 at 6:00p

Join in on the puzzle fun at the Library! On the second Tuesday of the month from 6-8, the Community Room will be full of puzzles just waiting to be completed. You can work together on 300-500 piece puzzles (you may time yourselves if you'd like!) There will also be ongoing rounds of puzzle chess, an exciting new way of challenging a puzzler!

Puzzle chess uses a 100- or 200-piece puzzle and two people play against each other. Together the players complete the border, then start a chess timer (a free phone app.) One piece at a time, back and forth, the players complete the puzzle. When the puzzle is finished, the fastest player is the winner!

Drop-in Makerspace

Wed., Nov. 20 from 3-6p

Join us in November to be the first to try some great projects using our brand new Cricut Maker 3! We'll have supplies on hand to make creative vinyl stickers for your notebooks or waterbottle! This project is made possible in part by a grant provided by River Valley ARTS.

Paper Marbling

Sat., Nov. 16 at 10a

Join us for a hands-on paper marbling workshop, where you'll learn the ancient art of floating pigments to create stunning, one-of-a-kind patterns. Participants will have the chance to design and transfer their own unique marbled creations onto paper, perfect for decorating books, cards, or art projects. All materials are provided, and no prior experience is needed—just bring your creativity! Littles are welcome, but may need help. Space is limited. [Register](#) on the Library's website or give us a call.
