## Director's Notes

By Kat Kosiec, Library Director

### Library Night at APT

This summer, we're thrilled to announce an exciting partnership with American Players Theatre. APT generously donated the grand prize for our adult reading program, a pair of vouchers good for any Up the Hill performance, but they also are offering library patrons an opportunity to purchase discounted tickets.

The August 7<sup>th</sup> performance of Arthur Miller's "Death of a Salesman" is 2016's Library Night at APT! The next time you check out a book (or anything else!) at the library, ask for the special Spring

Green Community Library discount code to use for reduced admission on Library Night. We'll give you a handout with the code on it when you check out, and you can purchase tickets for only \$27 each!

Come early on August 7<sup>th</sup> for a special preshow discussion before the play begins at 6:00 PM. The code is valid for online, phone, and in-person

purchases. However, please note there is a \$12 handling fee for phone and internet orders.

If you are like me, you might want to read the play before going to see the performance at APT. Remember, we have copies of "Death of a Salesman" and other 2016 APT season plays at the library. They are located by the audio-books in the middle of the library.

We hope to see you on August 7<sup>th</sup>, and of course, at the library!

## Kids & Teens

By Chris Baker, Youth Services Librarian

The summer has certainly kicked off for the Spring Green Library kids' department and our Summer Library Program (literally, as we just had a master martial arts instructor do a demo this past week!). The thing that I, as the Youth Services Librarian, really want to see is kids and teens who are excited about making their own choices when it comes to

books. The ownership kids feel when encouraged to make decisions for themselves, especially in reference to education, is one of the reasons we do what we do in Youth Services. So for this month's newsletter, I wanted to remind parents about our Summer Reading Program. More information is on our website ([www.springgreenlibrary.org](http://www.springgreenlibrary.org)), but the Reading Program is a perfect way to encourage kids and teens to continue exploring their interest through reading and literacy. You can get registered online or

in person, and our librarians will be happy to help you! Also make sure to stop by the library on Wednesdays @ 2:00 PM, all throughout July! We have some excellent events coming up, including a drum circle session, yoga for kids, and Mad Science. You definitely don't want to miss our Wednesday programs!! See you there!
