Director's Notes

By Kat Kosiec, Library Director

Our Friends of the Library want to help you with your holiday shopping needs! Visit the library's community room for the annual Book & Bake sale on December 3rd, from 9:00 AM-2:00 PM. Pick up some cookies or other treats for now and purchase some books that would be great to give away as a holiday gift. The Friends also sell handmade bookmarks featuring the art of local artist Mary Lien, who graciously donates the bookmarks to us. A book and a handmade bookmark will make the perfect gift for the book-worm in your life!

This year, the Friends are auctioning off a quilt from the River

Valley Stitchers and quilted by Deb Cavanaugh! Throughout the year, we have been selling raffle tickets, and you have time to purchase raffle tickets until the Book & Bake Sale. Tickets are \$2 per ticket or 3 for \$5 and are available at the library. Look for the quilt on display at the library around Thanksgiving!

The quilt will be auctioned off at noon during the Book & Bake Sale, and you do not have to be present to win. Each year, the River Valley Stitchers display their beautiful quilts during the Book & Bake Sale, so be sure to check out their exhibit.

Events like the Book & Bake Sale and other fundraising endeavors by the Friends of the Spring

Green Community Library raise money for the library. Programs like Meet the Artist and the Senior Computer Classes are funded by the Friends. Our rotating audio-book collection is also funded by the Friends, and library staff are very excited about a new book slot and book cart coming soon! Thank you to the Friends of the Spring Green Community Library for your support!

Kids & Teens

By Chris Baker, Youth Services Librarian

Fall is officially upon us! As we transition into November, we're all looking forward to the holiday season. The leaves are changing color, the air is getting cool and crisp, and it won't be long until we have snow to play in! November and December are big months for the Youth Services department at the Spring Green Community Library. Not only are we going to begin planning our spring pro-

grams, but we'll also begin planning for the 2017 Summer Library Program as well! Because we'll soon be looking all the way towards summer, I want to cordially extend an offer to the entire community – please let us know if you have any suggestions for the Youth Services Department! I have learned so much over the past months about working with kids of all ages, and I know there is so much more for me to learn. I want to be the best Youth Services Librarian I can be! So if you have any suggestions about programs, storytimes,

community interaction – anything – I'd love to hear them. Because there are only so many hours and resources, we might not be able to attend to all suggestions and requests, but if there are adjustments I can make in running the Youth Services department that will make parents and children in the community happier, I certainly want to do so! You can e-mail me directly at cbaker@springgreenlibrary.org, or call and ask for Chris at 608-588-2276. Thank you!
